

8th December 2020

Dear Parents / Carers

I hope this letter finds you all well. I am delighted to inform you that we have had no further reported cases of Covid infection in any of the pupils or staff that have self-isolated. This indicates that the early identification and isolation period has gone well and stopped the spread of the infection. I can also report that those boys and staff that have continued to attend school are also healthy and well. I hope all of this is reassuring and I can guarantee we will continue to do all we can keep the boys and staff safe, whilst on the school site.

As such, I am delighted to be able to open the school and return to normal as from Thursday 10th December 2020. Transport arrangements will also be as before.

During the next couple of days keyworkers will be in contact to answers any queries that you may have and reception is open if you need to make contact.

As we return, can I remind everyone to follow the government's 'Hand, Face & Space' guidance to help keep everyone safe (<https://www.gov.uk/coronavirus>).

We look forward to seeing boys back on site and wish you all well.

Yours sincerely
